

DIAMONDS DO GOOD SCHOLARSHIPS

The Diamond Empowerment Fund was established in 2008 to assist youth in the diamond mining communities of the world. This fund is now available to youth living in the Northwest Territories and the Kitikmeot region of Nunavut through Diamonds Do Good Scholarships.

The Diamonds Do Good Scholarships give back to the communities that are near diamond mines. The goal of the scholarships is to assist youth, 18-30 years of age in the Northwest Territories and the Kitikmeot region of Nunavut who are seeking additional training and/or education that is needed in their community.
